Four years Degree programme was implemented as per NEP-2020 guidelines from academic session, 2023-24. To ensure effective curriculum delivery, the college encourages faculty members to attend orientation programs, refresher courses, and subject-wise bridge courses. Additionally, field trips to historical places are organized to provide practical knowledge and to develop observation skills. Before the academic year begins, departmental meetings are held to discuss plans, additional inputs, certificate courses, and departmental activities. Some faculties are nominated as members of Board of Studies. The college also focuses on improving communication and language skills by conducting language and soft skills classes. Online quizzes and remedial classes are organized for students categorized learners. Students participate in student seminars, quizzes, and group discussions. The curriculum is supplemented by add-on and need-based certificate courses to enhance student competencies. The CBCS semester pattern allocates 25 marks for internal evaluation and 75 marks for external evaluation in each subject. The college values feedback from faculty members, students and parents. It establishes a formal system of feedback on programs. Each faculty member prepares an annual academic curriculum plan, as per syllabus, additional inputs, and curricular and co-curricular activities. A subject-wise lesson plan is also prepared for effective content delivery. Faculty members maintain a teaching diary to record their academic activities, and attendance is recorded through the IAMS app. Government Degree College, Kanigiri, focuses on effective curriculum delivery through teaching, learning, and evaluation. The college provides various opportunities for faculty development and student engagement. It follows the prescribed curriculum and incorporates additional activities to enhance the quality of teaching and learning.

Human values and professional ethics which has a structured syllabus is studied by all students as a foundation course for two credits. Environmental studies is pursued in third semester. The students understand the importance to be given for keeping the globe green and hospitable. The college conducts a number of programs on the environment such as planting saplings etc. Gender related issues are being addressed in the selection of topics for various courses in languages and history modules. Women Empowerment Cell takes up gender related problems and projects. Teachers use ICT as much as in pedagogy while digital classrooms take care of the modern methods. National Integration is integrated into the curriculum of domain specific courses of History, Telugu and English.

2.6.2 QlM	***Attainment of POs and COs are evaluated.*** Explain with evidence in a maximum of 500 words
2.7	Student Satisfaction Survey

Qualitative analysis of Criterion 2

The curriculum prescribed by the Acharya Nagarjuna University, Guntur has provisions in programs and syllabus to give the students experiential and participative learning experiences such as field trips, industry visits, rural visits and surveys to understand the geographical, social-political and economic factors of the lives of the people in the rural areas. The college imparts several Add-On/ Certificate courses to enable students to acquire additional skills for raising their employability. Departmental student class seminars are also conducted by the lecturers. Students organise functions/events and festivals like Fresher's meet, farewell parties and cultural programs. Two students participated in state level quiz competition conducted by the Andhra Pradesh Higher Education Department and two students secured gold medals in "Athletic All India National Federation Cup -2022" and in Javelin throw event. Students take part in several extra-and co-curricular activities like cleanliness drive, tree-planting, Swachh Bharath program, Blood donation program, social surveys and awareness programs organized by the college. The lecturers use ICT tools to enhance the teaching learning process. The college has Wi-Fi and ICT enabled class room.

The Government Degree College, Kanigiri adheres to the examination pattern and guidelines set by Acharya Nagarjuna University. An examination committee is formed annually to co-ordinate internal and external examination activities and communicate relevant information to students, lecturers and administrative staff. These assessments typically include one or two tests per semester, excluding mid-term exams. Students are encouraged to interact with their lecturers to resolve any assessment-related concerns. The evaluation of internal assessment tests is conducted by the respective department's lecturers and the marks are received and reviewed by the departments to ensure transparency. The college has a transparent, time-bound mechanism to handle grievances related to internal examinations. The college also maintains a web-enabled internal assessment and attendance management system, where assignment and mid-test marks are uploaded for students to access.

The University and Andhra Pradesh State Council Higher Education (APSCHE) developed Program Specific Outcomes (PSOs), Programme Outcomes (POs), and Course Outcomes (COs) which have been implemented

This college has 16.04 acres of land area . It has three buildings, seven ventilated classrooms, one digital classroom and one gymnasium. There are four washrooms separately available for ladies and gents. But they should be regularly cleaned and maintained. The college has a total of 08 computers. There are 30 laptops for skill enhancement courses. The college has a play ground. Ladies common room with necessary amenities has to be provided. The office is equipped with computers and internet connectivity. The internet connectivity backed up with a 4MBPS broadband has to be augmented. The college has installed four CCTV cameras. One LCD projector is available for conducting webinars and seminars. Information technology related facilities are to be enhanced for the benefit of all the students and teachers. To promote physical fitness, there is gymnasium with weight lifting and power lifting platforms. Girl students are to be encouraged to use it. Canteen facility is to be established. The college should have proper policies to maintain and upkeep of the infrastructure. Facilities like volley-ball, badminton, kho-kho, kabaddi and indoor facilities like chess and carom are available for sportspersons. Two students were bestowed with national level awards in sports events held at Amritsar. More students may be encouraged to actively participate in sports events in regional, national and international levels. Students may be encouraged to participate in extra-curricular activities. The college library has 3781 books including a few reference documents. It subscribes to few local magazines and four dailies. The librarian post is to be filled. Efforts are to be made to procure the latest editions of reference documents. By awarding prizes walk-ins may be improved. The degree examination question papers of the affiliating University are kept in the library for benefit of the students. Hostels are to be constructed for both girls and boys. Transport facility is to be provided through the APSRTC.
