: Dr.K.Srinivasulu

M.A,M.PhiL,Ph.D

Department History and Profile

Since the inception of the college 1983 the department of economics was established in the Government Degree College Kanigiri since then the department has put sincere efforts to enhance the skills and techniques for improve the knowledge among the students

Vision

At the core of our education is a commitment to academic excellence and lifelong learning. Our vision is the preparation of students capable of critical thinking and independent analysis for living their lives of responsibility, leadership and service. As a faculty member of the college in the department of economics emphasise excellency in the teaching through continuous professional department and high quality members in the society.

Strategy goals

- ❖ To ensure that our students have the interrogative and critical thinking skills as well as qualitative and quantitative abilities to analyse complex domestic economic social and global problems. To assertive that our students have the necessary interpersonal communication and leadership skills so that they can function as a responsible citizens and effective leaders.
- ❖ To create a collaborative teaching learning and research and environment that emphasises social responsibility, ethical decision making and a global perspective.
- ❖ *To create a community of students who are actually engaged with each other and the world.

Mission

The primary mission of the economics program is to offer education opportunities to students in order to prepare them to become accomplished citizens and professionals capable of critical thinking and independent analysis and finally a better understanding of the global , National and local economic issues that will confront our society now and in the future. The basic objectives of our degree college level programs are

- To provide our students with appropriate analytical skills to Lay the groundwork for lifelong learning.
- To enable our students to become policy literate and thus be more informed as citizens.
- To prepare our students for successful careers as applied economists and
- To prepare our undergraduate students for graduate training in economics law and business administration.

STRENGTHS AND ACHIEVEMENTS OF THE DEPARTMENT

ACADEMIC YEAR: 2021-22

Dr.K.Srinivasulu

M.A,M.Phil,Ph.D

Lecturer in Economics

Infrastructure facilities :

The Department of Economics has a departmental library with some books. The college library having more than 100 economics books with some magazines, to issue students for their academics and competitive spirit improvement.

Strengths and achievements of department :

In Government Degree College Kanigiri, I joined as Economics lecturer on 07-01-2022. Since then I am putting my maximum efforts to strengthen the department. Along with academic activities, students were also shown much interest to participate in seminars and quiz programs. Remedial classes were also taken for academically backward students. Recently Acharya Nagarjuna University Guntur conducted athletic events; our 3rd BA student N. Prathap participated and won 400m running race and one more important event is All India National Level Federation Cup-2022 conducted in Amritsar of Punjab State on 4th and 5th of March 2022. In this event, our college 2nd BA student N. Prathap got Gold medal in 400 m running race. And also our final BA students K. Shivannarayana and P. Narasimhulu have participated in state wide quiz championship for higher education students of Andhra Pradesh conducted by the Andhra Pradesh State Council for Higher Education; our college above two students reached up to semi finals among Government Degree Colleges. Kanigiri government degree college is the only college reached up to semi finals. Our beloved Higher Education Council Chairman Sri Hemachandra Reddy Garu has also appreciated and expressed that though Kanigiri is remote and backward area, these two students have performed very well. And our BA students have participated in blood donation camp which was conducted by the college on 27/02/2022. NSS special camp was also conducted by our college at Machavaram village, our BA students were actually participated and conducted Eye vision survey and also create awareness under importance of the Vaccination explain it door to door.

Best practice

The college was introduced mid day meals program on March 23 2022 for reducing dropouts and improving the enrollment for coming next year in our BA program. This is very good practice to poor and backward area like Kanigiri.

and myself was also sponsored some utensils and plates. Since my joining in this college I am improving the knowledge in the competitive field among the students not only that I am donating different competitive examinations books and materials to students in general ,in particular to merit students.

STUDENTS PROGRESSION ON HIGHER EDUCATION

Many students from our BA group is getting high education opportunities, 2021 batch final BA student S.Venkateswarlu has got postgraduate seat and joined MA (previous) in the department of political science of Acharya Nagarjuna University Guntur.
