JANUARY 2022 NEWSLETTER

PRINCIPAL'S MESSAGE

Located in rural environment, Government Degree College Kanigiri, is imparting quality education with values through blended teaching and learning process. Our students are the learners of today and are well trained to face the challenges of a highly competitive future. In both curricular and co curricular activities our students have been doing well. Implementing Swachh Bharat, conducting awareness programmes of covid-19, celebrating national importance programs to create a sense of responsibility in all the students. The active participation of the students in eco-clubs, consumer club, alumni association enhances good administration and academic excellence of the institution. Being an excellent destination for quality education, Government Degree College Kanigiri with its dedicated faculty and staff are making the students well-trained for multifaceted fields.

VISION

Import value based higher education to all the students from weaker sections of the society with the rural background and empowered with hard and soft skills that contribute towards the development of a good career and National building.

MISSION

- To provide quality education and help students in acquiring knowledge, building self confidence and positive thinking.
- To develop and promote excellence talent in diverse fields, secular values that would become an investment for a prosperous society.

OBJECTIVES

The college always strives to fulfill the following objectives..

- 1. To impart qualitative knowledge and to develop communication skills of students besides encouraging them to use ICT tools.
- 2. To create and enhance awareness in students to make them meet the challenges equally with the advanced society.
- 3. Experiment with innovative methods of teaching and learning
- 4. Twinkle Kate human values in the students and to propagate the rich tradition and culture of Indian life for the promotion of national integration.
- 5. To increase teachers and students to undertake research and consultancy.
- 6. To provide employability skills to make the students industry ready.
- To bring out environmental consciousness and make the students participate in the community cultural and social development programs.
